Instructions:

1. Fold cardstock along the score lines.
2. Trim corners off the ends with the score line closest to it.
3. Form the cubes by placing adhesive on the trimmed ends and attach to the other end of cardstock.
4. Lay the tallest cube flat with the crease line in the middle and adhere the smaller cubes to either side of the crease line only applying adhesive to the bottom halves of the cubes.
5. Adhere the smaller pieces of patterned paper to the cardstock mats.
6. Adhere the cardstock/patterned paper pieces to the outside of your cubes as shown.
7. Fold your cardstock tabs in half and adhere to the inside of the smaller cubes in the middle.
8. Adhere the larger pieces of patterned paper to the inside of the cubes as shown, leaving half of the tabs sticking out.
9. Stamp your desired phrase and adhere to the tabs.
10. Add additional images and embellishments as desired.
